FLORRIE DRUMM MEMORIAL SERVICE

The Rev. Barbara Miller will officiate at a memorial service for Florrie Drumm Saturday, **December 16, 2023**, at 11:00 AM. The service will offer Holy Communion and will be followed by an informal reception. Tentative plans include a hybrid Zoom service.

EVENING PRAYER HAS RESUMED

We have resumed Evening Prayer. This is a wonderful way to bookend your day with a varied and brief service every Tuesday and Thursday at 5:00 PM. You may use the link available on the St. Luke's website (www.stlukesatascadero.com) or use any Zoom Evening Prayer invite you have on file. We welcome you to join us.

FLOWERS FOR FLORRIE

The memorial service for our dear Flower Lady, Florrie Drumm, will be held at St. Luke's on Sat., **December 16** at 11 am. We were thinking that over the years Florrie brought most of us small bouquets of flowers to comfort us in times of illness or sadness or stress. Wouldn't it be nice if we each

brought a small bouquet of flowers to grace her memorial service and to comfort her loved ones in this time of loss? So you are invited to bring flowers to the memorial service to be placed under or around the altar, not a large arrangement just a small bouquet in a small vase, just the same sort of thing that Florrie probably brought to you at one time or another. A reception is planned for after the service. As Florrie liked to have "tea" sometimes, the reception committee is looking for teacups and teapots to serve the tea from. Contact Alice Baker Taber if you have some to lend.

SENIOR WARDEN TASK REALLOCATION UPDATE

We are pleased to report that Mike Ferree has agreed to serve as the official “Sr. Warden” of St. Luke’s. This does not mean that Mike is going to do all of the work that was previously under the wing of the Sr. Warden. In fact, he will be doing only the 3 tasks that were previously identified as tasks which only a Sr. Warden can do. His main job will be reviewing and signing contracts as the official representative of the Vestry of the Whole. We are so thankful that Mike has stepped up to do this part of the work. Many people have stepped up to take on the rest of the work that needs to be done to keep St. Luke’s running but we still have a couple of outstanding items. Notably we still need someone to serve as the main writer of purchase orders. This involves going by the office once or twice a week, to look at the bills and write purchase orders so that the bookkeeper can write and mail checks. This usually amounts to 2-6 purchase orders per month. Once in a while the purchase order writer will need to check with the Jr. Warden to see if work being billed has actually been performed. The purchase order writer is important as an extra set of eyes, an extra safeguard, to the process of disbursing funds from St. Luke’s. Purchase orders are written by hand and are not complicated. If you are interested in this job, please contact Kathy Hansen or Leann Brooks – Kathy Hansen

VESTRY OF THE WHOLE CONGREGATION MEETING HIGHLIGHTS

November 12, 2023

St. Luke’s Vestry of the Whole Congregation meeting was called to order by Kathy Hansen at 10:17 a.m. Jeanne Owen offered the opening prayer. One additional item was added to the consent agenda, presentation of the letter to Canon Martha requesting her assistance in improving communication between St. Luke’s and the diocese through a communication workshop. The minutes of the October 8th Vestry Meeting were approved as corrected.

Junior Warden Ann Holley reported that wall brackets requested by the tech team can be purchased for \$300 and mounted on two of the interior sanctuary walls to hold the video cameras used during videotaping of our Zoom services and church meetings. This will eliminate the need for the tripods. Copies of the new lease and maintenance agreement with Coastal Copy were provided with the vestry packet. The new contract will reduce St. Luke’s copy charges by 16%.

Ann also discussed the status of the bid for power washing, resurfacing and sealing of the church parking lot. Mitch Frederick who provided a bid last year to Mike Ferree has offered to complete the job for last year’s price with a 10% church discount. A motion was made by Ann Holley, seconded by Mary Gruber to appropriate up to \$5,000 for the resurfacing and sealing. Treasurer Leann Brooks confirmed \$ 3,000 is available for the project in the Buildings and Grounds budget. The motion was tabled to allow Ann and

Mike to meet with Mike Frederick to determine if the process can be divided and partially completed this year and finished in 2024. Ann is working on creation of a youth area at the back of the sanctuary for our young teens who attend our regular service.

Kathy Hansen who has assumed responsibility for the reallocation of administrative and liturgical responsibilities, reported on the meeting of the Worship Committee. Pastor Karen Siegfried will be presiding and preaching at the Christmas Eve Service at 5:00 p.m. on December 24, 2023. There will be no Sunday morning service on that day. Pastor Karen will also continue to preside and serve on the first Sundays of the month beginning on Epiphany Sunday, January 7, 2024. Reverend Caro Hall has also agreed to provide supply services once a month; Pastor Ellen Ayres will continue serving once a month. The worship committee is exploring adding one additional clergy led service per month on the 4th or 5th Sundays. Worship committee members also discussed and recommended increasing the honorarium for supply clergy from the diocesan rate to \$250 plus mileage.

Treasurer Leann Brooks reported St. Luke's is doing well. We have \$99,065 in operating our accounts; \$15,894 in non-operating accounts; \$24,959 in the Pacific Premier Checking account and \$ 53,862 in the Pacific Premier money market account. \$91,372 is invested with the Diocesan Investment Trust. St. Luke's total current assets are \$170,193. St. Luke's Operating Profit & Loss Statement projects net ordinary income year to date at -\$26,163; with the annual net income budget projected at -\$30,497. More precise figures will be available once the Stewardship Campaign concludes.

Jeanne Owen concluded the meeting with a closing prayer. The meeting adjourned at 11:30 a.m.

Respectfully submitted,
Kathryn Showers

THE BIDDING BOOK & PRAYER REQUESTS

Over the past several years the parish prayer list has experienced an enormous growth. This warms the heart. The issue has become how to most effectively offer these prayers during our worship services over the course of a week. So effectively offer our intercessions and

thanksgivings we will do the following;

During the Sunday services we will pray only for those who are listed in the bidding book (which you will find on the podium at the back of the church) and from the 'chat' on Zoom. During Evening Prayer on Tuesdays and Thursdays we will offer our prayers using the parish prayer list which is managed by the Daughters of the King. This prayer list is updated and refreshed on a regular basis.

We are grateful for the faithfulness of the community in praying for those in need.

We will review this practice of sharing our corporate prayer concerns on a regular basis.
