## Moving Forward in our Search for a New Priest

In addition to the possibility of pairing St. Luke's with St. Benedict's in Los Osos, we have been approached by clergy who would be interested in a half-time position, providing we were to offer a parsonage (or housing) valued at the equivalency of quarter (1/4) time cash stipend of the priest's full time salary.

To do this would involve moving the office to the Sunday School room in the Undercroft, and re-converting the cottage into a habitable dwelling. The work would include adding a shower/tub enclosure to the bathroom in the space currently occupied by the built-in bookcase in the counter's room, adding a hot water heater, modifying the existing kitchen by adding a standard kitchen sink, refrigerator and stove.

The current status of the plumbing and electrical lines is unknown and would have to be professionally evaluated, plans drawn, permits pulled, contractors hired, time and materials calculated, and the re-conversion completed. We would also need to upgrade the heater, add window coverings, and stabilize the back stairs. A rough estimate of the shortest time table to complete the re-conversion is one year, if we were to start immediately.

Whether the interested clergy would be in a position to wait that long is questionable. However, once made habitable, the housing would be an asset in terms of its rental value. The downside is that if the half-time inquirer had moved on, we would still be in the position of looking for another priest, and we would be another year out in our search, although we would have a parsonage.

OUTREACH

St. Luke's Agape Feast had its first planning meeting last Saturday. The purpose of the B.B.Q is to offer free food to those who are hungry. The B.B.Q meal will take place on Sunday, May 21, from 11:00 - 1:00 at St. Luke's on the side lawn. The menu for the B.B.Q will be hamburgers and hot dogs with all the fixings. This will include a potluck of salads, fruit, chips, beans and desserts. The source of funding for the B.B.Q will be the Bob Gruber memorial fund.

WEAR RED FOR PENTECOST

**Wear Red for Pentecost!**

Please remember to wear red for Pentecost (coming to us in tongues) Sunday, May 28<sup>th</sup> when we will be filled with the holy spirit celebrating with Pastor Karen Siegfriedt and sent out into the world!

**Communion Anyone?**

**YOU ARE INVITED  
TO GOD'S TABLE**

If you are unable to be in church and would like to have Communion delivered to your home by our Eucharistic Visitors, please call Kathy Hansen 805-721-0488, or 805-438-4568 once you are on our list, we will call you each month to find out if you want communion.

On the first Sunday of every month, when Rev. Karen is presiding at the Eucharist at St. Luke's, one of our Eucharistic Visitors, Ann Holley, Kathryn Showers or Mary Gruber, delivers communion to those who are unable to be present at church. The Communion sets are blessed at the altar table and sent with prayers for those who are receiving in this way. At present we have about 5 households on our list who we call each month to find out if they want communion delivered. If you would like to be on that list to be called each month to see if you want communion, please call Kathy Hansen, 805-721-0488 or 805-438-4568. You only need to call once and then you will be on the list until you ask to be taken off, but please call before Saturday morning to give us time to put together enough communion bags.

**Aids Life Cycle** is a non-profit organization that supports the *San Francisco Aids Foundation* and the *Los Angeles LGBT Center*.

They raise funds through their yearly bicycle ride from San Francisco to Los Angeles every June. The ride comes through San Luis Obispo County starting in San Miguel.

For the past 6 years I have been supporting this through monetary donation and by presence. On the day they come into the county I set up a “booth” at the north end of Mission Street and greet the riders as they round the curve on to Mission Street from Camp Roberts.

The date this year is **Tuesday June 6<sup>th</sup>**. I will arrive at about 8:30am and I usually stay until 3. The riders come through hot and tired and thirsty. They have another mile + to go for the rest break, food, bathrooms, and so on but they really appreciate a quick spritz and splash, a hand slap, and high five as they make their way to the shade.

They are so appreciative. I would love to have company this year. If you would like to join me in supporting these riders with your presence please contact me. Dcn. Susan Arnold, 805-550-2907 [dcnsusan.stbarnabas@gmail.com](mailto:dcnsusan.stbarnabas@gmail.com).

### COMMUNITY ENGAGEMENT CONTINUES

St. Luke's will continue to report their community engagement to Bishop Lucinda as part of St. Luke's Annual Community (ACE) Program. The

ACE program captures the number of times members engaged with or were involved or were involved in contact (i.e. pastoral care or prayer requests) with other members or friends of the congregation or provided service to individuals or other organizations like feeding folks at ECHO, helping set up an apartment for Transitional Food & Shelter, or tutored someone in reading. In the last half of 2022, St. Lukeans reported 6,055 contacts with members and friends of the congregation and 4,200 contacts with the larger community outside St. Luke's. Keep up the good work.

### SMALL GROUP STUDIES

St. Luke's Bible Study Group meets Wednesday mornings at 10:00 a.m. at the church office for its study of the Book of Genesis.

**Gather with Taizé Music Sunday Evenings at 7:00 pm**  
If interested and would like an invitation to attend, please send an email to [castlewoodr6@gmail.com](mailto:castlewoodr6@gmail.com) to get on the list.

### THE BIDDING BOOK & PRAYER REQUESTS

Over the past several years the parish prayer list has experienced an enormous growth. This warms the heart. The issue has become how to most effectively offer these prayers during our worship services over the course of a week. So effectively offer our intercessions and

thanksgivings we will do the following;

During the Sunday services we will pray only for those who are listed in the bidding book (which you will find on the podium at the back of the church) and from the 'chat' on Zoom. During Evening Prayer on Tuesdays and Thursdays we will offer our prayers using the parish prayer list which is managed by the Daughters of the King. This prayer list is updated and refreshed on a regular basis.

We are grateful for the faithfulness of the community in praying for those in need.

We will review this practice of sharing our corporate prayer concerns on a regular basis.
